

SANDERS FODDER

SPRING NEWSLETTER

THINGS TO DO IN SPRING

Update your fencing systems to enable the best possible options in keeping that spring growth healthy and avoid over-grazing.

Mulch and fertilisers available to set your garden up for the spring season.

A good time to refresh your animal bedding options, straw, woodshavings and shellgrit in stock.

It's that hairy time of year so come in for grooming tools.

Herbicides and spray equipment available for weed control.
