

SANDERS FODDER

AUTUMN NEWSLETTER

THINGS TO DO IN AUTUMN

We stock neutrog fertilisers, particularly Seamungus rich in seaweed and organic matter will ensure your new plantings are resilient this Autumn. If your garden is looking stressed after summer, top dress with Seamungus lawn and water in with **POPUL8**

A good time to consider the worming needs of your animals: For dogs and cats, we have complete treatments for worms, mites and fleas in spot-on and chews. We also sell worming tablets individually. For pigs, poultry, pigeons there is a water additive for worm control. We have products for aviary birds and small animals such as rabbits. Of course there are always many options in large animal wormers. Salt Licks for your animals contain the necessary minerals to supplement their diet all year round but especially in times of little pasture feed and also when green shoots appear with opening rains.

SWEETBULK is back in stock and a great option for the use in sand build up in your horse
